Violence Transformed and Lesley University invite VISUAL ARTISTS to participate in the 2018 exhibit and symposium, *Women Against Violence: Resistance and Resilience*, their 5th annual *Future of the Past* event. Work should demonstrate the power of artists as activists when they address issues of violence, inequality or harassment against women. We use “women” in broad and inclusive terms to include non-binary, trans, gender queer, femmes, etc. The event and exhibit will feature different voices to uncover the multiple, complex, conflicting, and inspiring discourses surrounding this topic.
